SPRING
2015

BELLA'S STORY

it started with a dream

My name is Bella. And like every teenage girl, I'm a dreamer. When I was 14, my dream was to own a new car by the time I had my driver's license—and that's when the story of Origami Owl® and the Living Locket® began.

With a simple idea, a lot of hard work and some incredible people by my side, I got that car — a white Jeep I call Alice. My dream opened a world of possibilities for more than 60,000 entrepreneurs; we call them Designers. They tell stories through our customizable jewelry while empowering others to make meaningful connections and to reach for their dreams by owning their own businesses. And the best part? Our Designers are true ambassadors of our company mission, to be a Force for Good, and they are touching lives in ways I could have never imagined.

This spring we've got fresh new Charms and have expanded our existing collections with the hottest trends, like micro-pavé, hashtags, and lots of pastels. You'll also love our new Inscriptions™ Collection—it's a whole new way to personalize your look. And guess what? We're sharing the love with our neighbors to the north, Canada! Together, we're going to make 2015 the best year yet.
